

Criteria

Community Recycler of the Year Award

The award is open to all Cylch Full Members and will reward the organisation that has best demonstrated either some or all of the following:

- **Sustainability** - evidence of moving towards financial sustainability
- **Social benefits** - opportunities for employment (e.g. training, job placements, volunteers etc)
- **Community involvement** - proven impact on local community, keeping value of material in the community
- **Contribution to sector** - interaction with other community recycling organisations, sharing of information, networking
- **Diversion** - range of materials collected, tonnages of material diverted from landfill, tackling difficult waste streams
- **Marketing and Promotion** - delivering a strong recycling message, increasing their profile and that of the sector

Sponsored by

Innovation Award

This award is open to any organisation or company active in Wales and will reward those that have developed an innovative project, product, activity or service or which have excelled in one of the following areas in the last 12 months:

- Tackling a common problem in a new or exceptional way
- Having a unique selling point
- Diverting a new material from landfill
- Delivering a unique service
- Making an innovative new product
- Marketing products or services in a creative and interesting way

Sponsored by

Local Authority Partnership Award

This award is open to all Local Authorities in Wales. Local Authorities will be nominated in recognition of their work in partnership with their local community. Although the award will go to the Local Authority as a whole, organisations can specify that the nomination is in recognition of a particular person or department within the local authority.
